Summary

I am an experienced Full-stack Web Developer with a strong background in Python Django, HTML/CSS, jQuery, and PostgreSQL database management. Over the past 2 years experience, I have contributed to the successful development of web applications, ensuring high-performance, responsiveness, and robust functionality.

Skills:

- Programming Languages: Python, JavaScript
- Backend: Django, Django REST framework
- Frontend: HTML5, CSS3, jQuery, Bootstrap
- Database: PostgreSQL, SQL
- Version Control: Git/GitHub
- Agile Methodologies: Scrum
- Problem Solving, Troubleshooting, and Debugging

I have a strong passion for web development and am committed to staying updated with the latest industry trends and best practices. My experience and skills make me a valuable asset for any project that requires robust web development expertise.
